OVERVIEW

Türkiye Scholarships is a government-funded, competitive scholarship program, awarded to outstanding students and researchers from all over the world to pursue full-time degrees or short-term programs at the most prestigious universities in Turkey.

The scholarship program has been launched in 2012 as part of the renewed face of international student mobility in Turkish higher education.

The program aims to build a network of future leaders committed to strengthening cooperation among countries and mutual understanding among societies.

Highlights

Currently over
16,000
scholarship
holders from
160 countries

Approx.
5,000

HIGHLIGHTS

APPLICATION

Applications are received online only through Türkiye Scholarships website: www.turkiyescholarships.gov.tr
Printed applications are not accepted.

Please Note: Only one application per applicant is permitted. Multiple applications will lead to automatic disqualification of the applicant in the preliminary assessment.

APPLICATION

Candidates may apply throughout the year over the course of four Application periods:

Applications are evaluated once every three months by the Research Scholarship Evaluation Committee. Candidates are informed by email about the results.

Successful candidates are informed by email about the next steps to follow.

HOW TO APPLY

Candidates must completely fill the online application form provided through the Türkiye Scholarships website application system. They must also upload the required scanned documents.

REQUIRED DOCUMENTS

When filling the online application form, all candidates must upload the following documents:

- Valid ID card or Passport
- Passport photo
- The Invitation Letter from a Turkish university
- Research Proposal
- A letter written and signed by the advisor at the respective Turkish university, stating the feasibility of the planned research
- Transcripts of Master's and PhD studies
- A letter of permission or approval for the candidates in any binding contract/position with any institution (may be requested after the candidate is accepted)
- At least 1 reference letter (from a person or institution other than advisor at a Turkish university)
- Ethics Committee Approval Document and/or Legal Permit (if the planned research is based on collecting any personal details from subjects or research to be conducted on non-public information and documents)
- Current student registration status showing dissertation stage for PhD students.
- A valid Diploma for PhD degree holders.
